Verification

Verification enhances the security of the OKPAY network and maintains our compliance with anti-money laundering and anti-terrorist funding legislation.

Besides, providing us more information will help to protect your account from unauthorized access as well as give us the necessary information on the account holder. That can help to restore access to your account for you in cases of the loss of email address, passwords, security keys, etc.

Verification Process consist of the following steps:

- 1. Proof of Identity** - Confirm your physical [Modify / Confirm](#)
- 2. Proof of Address** - Confirm the identity of your residential address. [Modify / Confirm](#)
- 3. Mobile Phone** (required to work with bank cards) - Confirm your mobile phone number. [Modify / Confirm](#)
- 4. Email Address** - Confirm the identity of your email address. [Modify / Confirm](#)

Most kell megadnod személy azonosságodat igazoló dokumentumokat kattints ide

When all the above information is provided, it will be reviewed by OKPAY managers. Upon approval, you will receive an email to that effect and your account status will change to Verified. Please keep in mind that our managers may ask you for additional information or to clarify already provided documents.

Your account will be verified as soon as possible. Normally we complete this check within one working day but sometimes this can take up to three days and more. Please do not contact support to expedite your verification if 3 days have not yet passed.

We offer rapid verification to customers willing to save their time. For a nominal fee your verification request will be processed in a short period of time (up to 4 hours while business hours).

Referral Bonus Program

Refer New Users to OKPAY and Earn up to €500.00 EUR for Each Referral.
The Referral Bonus Program rewards you for bringing new users and businesses to OKPAY.

How do I start earning Referral Bonuses?

Send your personalized referral link in an email

Send a brief Referral Email to people you know and include the link below.

<https://www.okpay.com/?rbp=403726662>

Itt találd az ajánlóí linked!

Click [here](#) to get a sample Referral Email with your personalized referral link included.

Add a referral logo to your website

Put a referral logo on your website by copying the code below and pasting it into your website's HTML code:

```
<!-- Begin OKPAY Logo --><A HREF="https://www.okpay.com/?rbp=403726662"
target=" blank"><IMG SRC="https://www.okpay.com/img/partners/rbp_banner.gif"
BORDER="0" ALT="Sign up for OKPAY and start accepting payments instantly."></A><!--
End OKPAY Logo -->
```

Incorporate OKPAY referrals into your payment tools

As a developer or solution provider, you can integrate OKPAY into your e-commerce applications by inserting your personalized referral code into payment links and buttons. This will help ensure that you are compensated for your referrals to OKPAY.

How do I make money with the Referral Bonus Program?

Every time a new user signs up for an OKPAY account via the link or banner that you provide, you'll be eligible for a Referral Bonus. The size of your referral bonus is tied to OKPAY transaction fees involved.

For more information, please visit our [Referral Bonus](#) page.

OKPAY takes violations of its anti-spam policy very seriously. Please make sure you only refer users you know.
